## Italian Restaurant

My dad, the late Tony Parasson, started selling pizza at his mother's Barberton tavern in 1960. The following year he relocated to the site of our current Barberton restaurant, which was rebuilt in 1983. He called his first restaurant Tonyo's Pizza but later changed the name to Parasson's Italian Restaurant after expanding the menu to include pasta, subs and salads. Our Stow location opened in 1974 followed by our Akron location in 1975.

We believe in offering a simple menu that allows our staff to focus on the consistent execution of signature dishes unique to Parasson's. Our special recipe sauces are made from vine-ripened California tomatoes that are fresh-packed within hours of being harvested. Our

mozzarella, provolone and ricotta are made from fresh, all-natural ingredients free of additives, fillers and preservatives. Our Pecorino Romano is imported from Italy. Our bread is baked locally and delivered fresh. Our produce is cut fresh in-house. Our chicken is fresh and all-natural. Our garlic butter, soup, salad dressings, pizza sauce, meatballs, Italian sausage, breaded chicken, lasagna and cannoli cream are prepared fresh in our kitchens each day from proprietary recipes perfected over time.

We are proud to be a local, family owned business that pays our employees a minimum of \$15.00 an hour and donates thousands back to the community each year. If you're happy with your visit, please tell others. If you're not happy with your visit, please tell us. We genuinely care and I promise you we will do what is necessary to make things right. Please speak with the manager or contact me at [parassons.com](http://parassons.com). Thank you for your support and please visit us again soon!
